OPINION IN TENNESSEE ON THE PUBLIC DEBT.

We have been careful to keep our of the State. We consider this to sion of public opinion during the next few weeks depends the action which will probably be taken in the premises at the extra legislative session, if one should be called, described the presentatives, to accept any proposition on the part of the bondholders not exceeding the present market value of the bonds, which we believe to be between 40 and 45 cents in the dollar.

Resolved. That in case an extra session of the Legislr ture is called to take action upon the public debt, then in that event, we request our representatives, to accept any proposition on the part of the bonds, which we believe to be between 40 and 45 cents in the dollar. pends, also the expediencey of calling one at all.
